We are Getting Acquainted with the Good Folks of Madison County

Have you been a visitor at our store since we have rearranged and replenished our stock? Already during our short stay here we have made many friends with the low prices we are offering on our merchandise, and we are anxious to have the opportunity of showing you our stock.

Mr. Glazer, the hustling manager and owner of the store, has made three trips to the markets, and every day new stock is being received. He is a splendid buyer, and is able to save the people of this community big money on their purchases.

If you haven't been in to see him, this is your special invitation to come and get acquainted. We are here to stay—and we are here to save you money.

HARRY SOMMERS SAYS

(In Elizabethtown News)
With baseball and fishing not far off, we guess we can work along with this old Elizabethtown News a little longer.

A dispatch from Frankfort says gas is on the decline. Of course, the Legislature has ad-journed.

Tom Sims says that with bathing suits censored the waves will not be so wild this year.

They will be more than April fools. Coal miners strike on April 1st.

A popular new song: "I'm afraid to call you honey, for fear you'll have the hives."

The new girl wants to marry a drinking man to find out where he gets his liquor.

At Sea

Nevered—I hear you've signed up as skipper of the good ship Matrimony.

Justwed—No, my wife's the skipper. I married a widow. I'm her second mate.

Proof Aplenty

Ray—George was one of the best men that ever lived.

May—Pray how dyon know?

Ray—I married his widow.

Got Fooled

"Si Willow, who married the widow who they said had sweet dispositions and a lot of money, is goin' to sue for divorce."

"On what grounds?"

"Misaken identity."

ALL WORN OUT

Does morning find you with a lame, stiff and aching back? Are you tired all the time—find work a burden? Have you suspected your kidneys? Richmond people endorse Doan's Kidney Pills. Ask your neighbor. You can rely on their statements.

Mrs. U. N. Rings, 118 Orchard street, Richmond, says: "Doan's Kidney Pills cured me of an attack of kidney trouble that had been bothering me for some time. I had dull, nagging pains in the small of my back and hips. I felt miserable every morning when I got up as I was so lame across my back. When I stooped over I became dizzy and colored specks floated before my eyes. I was nervous and felt tired and languid all the time. My kidneys didn't act right and I made up my mind they were causing the trouble. I took a box of Doan's Kidney Pills and they soon cured me. Doan's are a fine medicine for kidney complaint."

Pimples Keep Young Men Down!

They Make Women, Too, a Puzzle
How S. S. Stops Skin Eruptions.

Pimples and skin eruptions have a place—on persons, not on faces. Pimples and minute acne on your face. Pimples produce pustules and prevent prosperity. Your heart may be gold,

S. S. Will Rid You of the Crushing Pimple-Calumny.

but who wants to live unnoticed? Pimples don't look like the owners of anything. Pimples, men, are pustules, with no prospects and no power. Young men and women never notice them, but others do, and individuals will fail. What you need is a scientific blood-cleanser. S. S. is one of the most powerful destroyers of skin irritation. You can depend on it in a short time. S. S. has been passed on by a jury of millions of people just like yourself. It is considered one of the most powerful remedies for skin eruptions. It is a true blood-cleanser. That's why you hear of so many undesired people putting on last dress to a mirror, why you hear of so many thousands of people coming to S. S. Start today with S. S. and see your face change and your skin get younger, your skin firmer. It will give you a longer life, a better complexion, and all advertising stories, in two days. The longer the use the more economical.

In Memory of Gracie Agee

In loving memory of our dear daughter, Gracie Agee, who died May 21, 1918; was born May 27, 1904. She was the daughter of Mr. and Mrs. Broadie Agee and had been a member of the Christian church at Salem for one year. She was a kind and loving little girl; none knew her but to love her, is spoken well.

Little Gracie by her many friends. She was in ill health for a year, but when the final summons came she was ready. She bade father, mother, brother and sisters farewell and then her soul took its flight upward there with the angels to dwell. Little Gracie, three years ago you left us, but I know it was God's will to take you home to Heaven with Him to live, but, oh, how we do miss you in the parlor, for there sits your vacant chair. We know that you no more on earth will roam, but we hope to meet you in Heaven around that great white throne; and when the pearly gates open, there to enter in, I want to be there with you, where our pleasures will never end.—Mrs. S. T. Hendren.

Want To Help Youngsters

Get Started With Poultry

Lexington, Ky., Mar. 24—Pure bred poultry raisers in Fayette county are planning to co-operate in helping farm boys and girls of the county to get started with a flock of their own, County Agent

W. R. Gabbert reports. Twenty-five adult breeders and raisers already have agreed to furnish from four to as many settings as possible to the youngsters with the understanding that one pullet

be returned in the fall for each setting of egg.

It is expected that hundreds of children in the county will take advantage of the opportunity to start a flock, Mr. Gabbert said.

Shorthorn Sale At Cynthiana

At Cynthiana C. D. Linley sold 17 head pure bred Shorthorn cattle at auction. J. W. Boyd bought 10 head young cattle, T. T. Garnett and Reason Parker each bought a bull and Lon McLooney a cow. The highest price for single animal was \$71.

Has Had Stomach Trouble For Seven Years

Theodore Sanford, of Fenmore Mich., has had stomach trouble for seven years and could not eat vegetables or fruit without pain in the stomach and restless nights. By taking Chamberlain's Tablets he is now able to eat vegetables or fruits without causing pain or sleeplessness. If troubled with indigestion or constipation give these tablets a trial. They are certain to prove beneficial.

See PARIS ON PARADE

IF YOU COULD GO TO PARIS, that magic city of fashion, to visit its shops and see the new creations in the hands of the master designers themselves, and as worn by the daring French mannequins, what a wonderful time you would have! And how gladly you would go!

You can experience the thrill of a trip to Paris by coming to Louisville during March 21st to April 8th, for Paris will be transplanted for those days to Louisville, in the most gorgeous Style Show and Exposition ever staged in America.

Louisville's Second Annual STYLE SHOW and EXPOSITION

Here you will find Paris, with its Eiffel Tower, its Arch De Triumph, its spraying fountains, its beautiful boulevards, its outdoor door tables, that are so much a part of Parisian life, and even its charming little flower girls and its gendarmes.

And—best of all—here, too, you will find, in shops and on stage, the very newest of Spring apparel. Fifty professional models, twice daily, will promenade the boulevards of this transplanted Paris, and display the exclusive creations brought here by the exhibiting merchants. In addition, at matinee and evening performances, there will be many special attractions that will make each highly entertaining.
